COMIC DEVELOPMENT BOOKLET

Create your own comic book
concept using this booklet as
a guide.

ABERTAY DIGITAL GRADUATE SHOW

Are you interested in being
a comic book artist?

Would you like to create your
own graphic novels?

Take inspiration from the incredible work of
our students at Abertay Digital Graduate Show
and use this booklet to come up with your own
concept for an amazing new comic!

YOUR COMIC

What is your comic called?

What is your comic about?

Who is your lead character(s)? E.g. Wizard, scientist, school pupil, animal, super hero

What does the character(s) do?

Where does your comic take place? E.g. castle, lab, school, alleyway, outer space

What is the storyline?

How do you convey the storyline through words? E.g. thought balloons, captions, speech bubbles, onomatopoeia (BLAM! SNAP! POW!)

What kind of atmosphere do you want the comic to have? E.g. fun, scary, serious, intriguing

Sketch the Character(s) in your comic. What do they look like? What are they wearing?

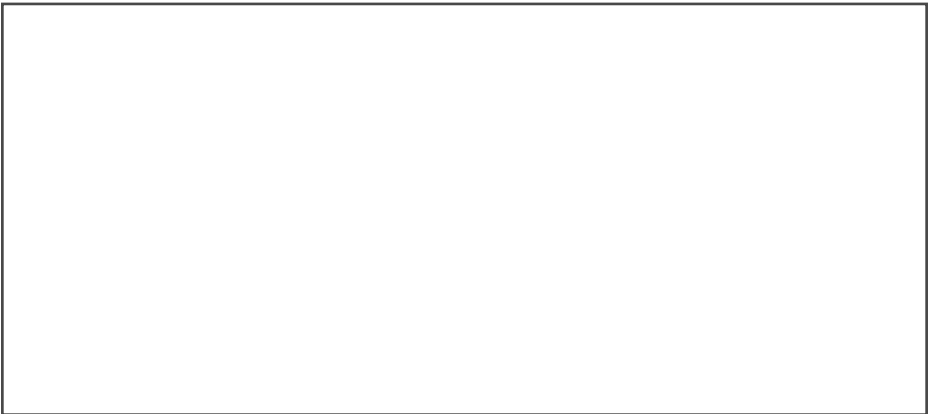

Sketch the setting(s) for your Comic.

There will be 6 panels in your comic - what happens in each panel? Use these panels to sketch out a small version of your comic.
