## PUBLICATION SCHEME REPORT ON COMPLAINTS HANDLING

SESSION 2023/24: THIRD QUARTER DATA (1 MARCH 2024  
– 31 MAY 2024)

---

### **Introduction**

The Scottish Public Services Ombudsman requires Scottish Universities to report on a variety of Key Performance Indicators, which have been considered in detail by the Scottish Universities' Complaints Forum and also by the Universities' Scotland Secretaries' Group. These were updated in 2022 to align with the revised the 2021 Model Complaints Handling Procedure.

The University's Complaints Handling Procedure ("CHP") emphasises the quick resolution of complaints, at the point nearest to wherever they arise within the University. This is in preference to lengthy investigations. However, some complaints may either commence at the investigation stage (if complex, time-consuming, or special categories of) or alternatively may proceed to stage 2 investigation after stage 1 frontline resolution (for example, if the complainant is still dissatisfied; in effect as an internal appeal).

Note: in this report where figures less than 5 occur (or less than 10% where percentages have been used), neither numbers/ percentages (as applicable) have been included in tables as a matter of policy. This applies where (i) arithmetic distortions in percentages/trends due to low numbers may occur and/or (ii) where there is a risk of identification of any individuals' personal data (and/or special categories of personal data) under data protection legislation.

## Key Performance Indicators

**Table 1: Number of complaints recorded for the current academic year by quarter (totals received)**

Quarter	Number
Quarter 1 (Sept - Nov)	23
Quarter 2 (Dec - Feb)	17
Quarter 3 (Mar - May)	12
Quarter 4 (June - Aug)	-
<b>Overall Total</b>	<b>52</b>

Note: for the purposes of this report all complaint outcomes have been counted, including stage 1 frontline outcomes where the complaint was then escalated to stage 2 investigation.

**Table 2: Percentage of all frontline response and of all investigations closed within target time-limit (5 and 20 working days respectively): by complaint quarter, for the current academic year**

Quarter	Frontline	Investigation
Quarter 1 (Sept - Nov)	83%	100%
Quarter 2 (Dec - Feb)	86%	-
Quarter 3 (Mar - May)	73%	100%
Quarter 4 (June - Aug)	-	-

Notes: where low numbers are concerned, percentage information can be misleading. Where these are substantially distorted so as to be meaningless, they have been redacted.

Complaints arising from members of staff are normally dealt with under the Grievance Procedure operated by People Services and complaints made against students are considered under the Student Conduct policies, so these data are not recorded here.

**Table 3: Time taken to resolve complaints: frontline and investigation average duration (number of days) by complaint quarter, for the current academic year**

Quarter	Frontline (target = 5 days)	Investigation (target = 20 days)
Quarter 1 (Sept - Nov)	4	12
Quarter 2 (Dec - Feb)	3	16
Quarter 3 (Mar - May)	5	20
Quarter 4 (June - Aug)	-	-

Notes: where low numbers are concerned, averages can be misleading. Where these are substantially distorted so as to be meaningless, they have been redacted.

Note: the targets for dealing with complaints set down by the Scottish Public Services Ombudsman are 5 working days for frontline resolution and 20 working days for investigation cases, which by nature are more complex.
